DRIVE CAREFULLY! The whole of Northampton shire is covered with lots of different types of speed cameras so stick to the limits...you have been warned!.

Take care! Remember there could be small children around so drive slowly and sensibly obey all warning signs and instructions, FCGB will be using Video and photographic equipment to monitor and record the event , if required this can be handed over to the Police.

ANYONE found driving carelessly will be asked to leave immediately, failure of club members to respect this rule could see the club refused space at future events.

You could be a winner! Don't plan to leave early as there are at least 4 trophies to be won! We will be judging during the day and the presentation is at 4pm (no need to enter you are all entered automatically).

Bring some cash! there will be trade stands for you to spend your hard earned at, all of them offering good show deals, you never know what you might find. Also you will be able to buy food and drinks in the park.

Have a good look round you can put faces to names, meet new friends, Visit the shows sponsors.

Please Tidy up before you go home, please clear up any rubbish you have made and either bin it or take it home, thank you
